**LAURENCE GOFF – YOUR BEACON OF HOPE**

**NEWARK TOWN COUNCIL BY-ELECTION**

**THURSDAY 24TH JULY 2008**

I wholeheartedly believe in being actively involved with every issue of importance to the residents of Beacon Ward. Listening to voters and voicing their concerns is something that should be done all year round, not just at election time. Many of you will know me as a person who campaigns actively on your behalf whether it is for improvements to parks and play areas or to reduce problem parking in residential areas.

Local issues I am actively campaigning on are the reduction of anti-social behaviour, fairer parking charges in Newark, removal of litter from our streets. I am actively involved in the Friends of Newark Cemetery working to improve the Cemetery for all Newark residents.

If elected I promise to continue to campaign on the issues you care about regardless of party politics. I will also fight for increased democracy on your Town Council. Unlike the majority of your existing councillors I am always available to speak to you. Please call me on 01636 681878 or e-mail me at [laurencegoff@yahoo.co.uk](mailto:laurencegoff@yahoo.co.uk).

I want to make a real difference for all residents of Beacon Ward. You can count on my hard work to help give you a voice on Newark Town Council.

**Make your vote count on Thursday 24<sup>th</sup> July and vote for Laurence Goff – Your Beacon of Hope.**
